

## EMPOWERing HR Managers with a PERFECT HRM Software

Empower offers HR modules with exceptional and adaptable features and an intuitive interface to meet the needs of **both managers and employees....**

*Kerala's first fully web based HRM Software*

HRMS • PAYROLL • EMPLOYEE PORTAL

EMPOWER HR software solution act as a company's system of record for all things people-related. Because this HR software is built on an integrated database of personal information, the software also produces reports that HR departments or business owners can use to analyze vital workforce metrics such as staffing allocations, compensation costs, and turnover.

Track who's who, where they're based, what they're doing, and how they're doing; negating the need for separate spreadsheets for separate operations.

EMPOWER comes to you from Perfect Software Solutions having almost 2 decades of expertise and experience in banking and other software solutions helping a large number of establishment with customised automation systems.
